UPCOMING EVENTS:

CPPC Statewide meeting virtual Oct. 28th 2020

Next meeting December 14th 2020

A Community Coalition is meant to bring agencies and community members together to be able to share information and assist in gathering information about the community. In the event an agency needs assistance for a project, to meet a grant need, they can: present to the group, and or draw upon attendees to form workgroups. The representative can then report back on the performance of the program.
