Crawford County Child Abuse Prevention Council Update

Discussed activities for April prevention messaging/activities. Have one full box of pinwheels available.

- Proclamation with County Supervisors, invite 5th grade class to participate in reading the proclamation, provide each student a pinwheel, and notify newspaper of event for photo opportunity.
- Newspaper supplement, contact Gordon Wolf at the Denison Review, encourage agencies, schools, churches etc to write and provide an article. The article should focus on the program, support to families/children, the supports provided that help to prevent child abuse.
- Fundraiser at Pizza Ranch. Message on table tents with pinwheel on the tables. When bussing tables talk about the significance of the pinwheel, and programs in Crawford County that assist families and/or prevention programs. The program that attend the Coalition in one way or another have a prevention component. It may be helping learn interviewing skills for jobs to group based parent education classes.
- Color Contest: distribute to children during your work example Family STEPS clients, Common Sense Parenting classes. Display at Court House or Pizza Ranch. Collect prizes: I-smile toothbrushes etc...
- Display of pinwheels “garden” have signs. Attract attention, stop read, to bring awareness.
