Attendees	Representing	Information Shared
Annette Koster	BVCS Early Childhood Iowa	Facilitated discussion to update the Community Plan for BVCS Early Childhood Iowa, Decat/CPPC and BV Child Abuse Prevention.
Mikayla Morris	LSI	Currently working with the Sac City Middle School to get a meeting set up about 7th & 8th grade Draw the Line. Have 6th grade Draw the Line scheduled with the Sac City Middle School starting the end of Feb. I have been meeting quarterly with the 6th graders at OABCIG Middle School. We have been doing 6th Grade Draw the Line there as well. Next class scheduled for the 2nd week of January. Working to set up a meeting with Sac City High School to hopefully do a Love Notes implementation with a few at-risk youth. As of now all implementations are planned for in person.
Darla Peterson	Iowa Department of Public Health	STD rates are up gon up 23%, syphilis up 30%. I have a virtual presentation on the intersection of HIV,HCV, and opioids and the counties most at risk in Iowa of an HIV/HepC outbreak. If anyone would like to fit that in to your agency presentations let me know. Still have free condom distribution also.
Kelsey Hall	Family Crisis Centers	We are creating stickers for the month of Feb for Teen Dating Violence Awareness Month. To promote healthy relationships. This will be distributed to the schools for age 13-18 years old.
Kayla Struchen	New Opportunities Prevention	Sharing flyers on "Prevention Pages", Christmas Quiltline flyer "The Greatest Gift" and Your Life Iowa Brochure. Thanks to all who joined in on our Lunch and Learn about the assessment needs in Sac County. Working with the ESC ISTEP (Iowa Students for Tobacco Education and Prevention) chapter to play our Knock Out Vaping event.
