The RPG program is offered and provides in-home services within the various counties and then optional therapy services. We have telehealth openings for ages 12+. This is a voluntary program, provides respite events, and gift-card incentives for assessments completed. The three different evidence-based programs are provided in-home, with the child or parent, or can even be provided in a different setting (in office, in school, etc.)

- Parenting Wisely (any age) is a program for parents and has videos to model behavior with a parent or child version.
- PACT – Parents And Children Together (age 5-12), this is either for the child or parent to complete. The child sessions focus on behavior and coping skills, and the parent portion focuses on fetal alcohol syndrome and how trauma or substances affect the brain.
- Seeking Safety (age 12/13+) has 25 sessions and focuses on PTSD, abstinence from substance use, and moving forward from trauma.
